

New claims 29 to 33 are fully supported by the original disclosure. As an example the embodiment of Fig. 64, described at pages 94 to 96, supports these new claims.

The Examiner also noted that new drawing figures 1, 52A, 52B, 55-57, 61, 64, 66, 69 and 70 were omitted in the Preliminary Amendment that was filed on September 13, 1994. This was a clerical oversight. Replacement Figs. 1, 52A, 52B, 55-57, 61, 64, 66, 69 and 70 and a Letter to the Official Draftsperson have been submitted along with this amendment.

In view of the remarks submitted above, the Examiner is requested to reconsider the outstanding rejections. A Notice of Allowance is earnestly solicited.

The Examiner is invited to contact the undersigned at (202) 429-1776 to discuss any matter concerning this application.

A request for a one-month extension of time and the proper authorization to charge Deposit Account No. 11-0600 has been filed concurrently herewith.

The Office is authorized to charge any additional fees or credit any overpayments under 37 C.F.R. § 1.16 OR 1.17 to Deposit Account No. 11-0600.

Respectfully submitted,

Dated: June 10, 1996
